There were three (3) individuals in attendance. Brant Creech, DPP, served as the district-appointed hearing officer. Bill Musick, Superintendent, and James Day, Finance Officer/LPC Chairman were present.

COMMENTS

Mr. Creech called the public hearing to order. The hearing officer outlined the purpose of the hearing and the hearing procedures in accordance with 702 KAR 4:180. It was explained that those persons wishing to speak would be given the opportunity and that written statements would be accepted. It was also noted that all considerations will be made available to the Kentucky Board of Education via the hearing officer's report. The hearing officer read the proposed new District Facility Plan that includes the renovation of Fairview High School with the construction of ten rooms, drama stage on the gym, additional gym locker rooms, media center addition, kitchen addition, and administration additions. Additional construction priorities would include major renovation on the central office and family resource center. The Renfroe Building would be considered a transitional building. No others except the three people above attended the hearing.

Since no others attended, no statements were made at the hearing. Also, no statements were sent to the district office.

RECOMMENDATIONS

It is recommended that the new District Facility Plan developed by the Fairview Local Planning Committee and adopted by the Fairview Independent Board of Education be approved as the District Facility Plan for the Fairview Independent School District.
